To receive a vaccine, students will need to be accompanied by a parent or guardian. COVID-19 vaccine and booster shots, as well as flu shots, will also be available for parents and guardians at the clinics. The clinics will be held in the afternoon and evening to make after school or after work access easier for parents.

[Guidelines for Illness](#)

Please continue to bring in updated immunization information. This information must be provided to the school for input into the district's immunization database so that your child's record will reflect that they are up to date. Letters were mailed to parents whose children have incomplete immunization information. Should you receive a letter, please provide requested information as soon as possible. The school nurse Trudy Davis is available to address any questions that you may have. If you need assistance in locating a health care provider or clinic site, please contact Trudy tdavis@mesd.k12.or1

You are invited to honor Ruby Bridges Walk to School Day (RBWTSD) on November 17th. RBWTSD gives children the opportunity to celebrate Ruby's courage by walking to school.

Ruby Nell Bridges Hall was the first African American child to desegregate William Frantz Elementary School. In 1960, she walked through an angry crowd and into school, and became the first Black person to attend an all-white elementary school in New Orleans.

At six years old, Ruby's bravery helped pave the way for Civil Rights action in the American South. For more information visit San Mateo County's [resources website](#)

We are still working with PBOT in order to assess our traffic concerns; especially during our dismissal. In the meantime, please continue to adhere to state laws and practice safe driving.

We are asking those parents who arrive early for dismissal to wait in an area where students or staff are not present. Our dismissal is at 2:15pm, consequently teachers may still be working with students outside and it can be a distraction and/or disruption when parents are waiting for dismissal in the same area that teachers and students are occupying. Thank you for understanding and adhering to this request.

Please be sure your child is dressed appropriately as the days are consistently colder; including a jacket, hat or even gloves. It may also be a good idea to label of your student's belongings as our lost & found is becoming quite full. Please stop by at dismissal time to claim your student's missing items.

As you may already know, conferences are right around the corner. Conference dates are scheduled to take place on November 22-23. Please look out for communication from your classroom teachers for information pertaining to scheduling and access to virtual meeting links.

Creating a partnership with your child's teacher around your child's learning can make a big difference. Here is a link for some helpful tips to consider when attending parent/teacher conferences: [PPS School-Family partnerships](#)

Middle and high school transfer applications for the 2022-23 school year will be available November 29-December 17. A complete list of events during the cycle will be posted on the PPS Explore Your Options [webpage](#). Middle and high school transfer and dual assignment results will be announced in mid-January and uploaded to Synergy by February 1.

Greenery will be ready for pickup on December 1st and 2nd. Questions? Contact Christie Doerr cakdoerr@gmail.com, Katherine Stanley katherine_stanley@hotmail.com, Christina Crouse christinacrouse@gmail.com

Hi, Bridlemile families!

Charleston Wrap orders are arriving Thursday, November 18th. Stay tuned for more information in a future Flyer.

Important information and upcoming dates.

Please sign up if you haven't already

<https://bridlemileschool.org/donate> (you can donate as little as \$5 per month)
