MESSAGE FROM PRINCIPAL HU

Dear Bridlemile Families,

You might be hearing your student say "I notice" or "I wonder" more often. Our new English Language Arts curriculum encourages student curiosity by starting lessons with these content framing questions. These questions build an important habit of mind to help students organize their thinking and ask key questions about what they're reading and learning. As you read with your Beagle, ask, "What do you notice and wonder?"

Back to School Night/Curriculum Night - Virtual is Thursday, September 22nd, starting at 5:30pm. We made the decision to stay virtual for Back to School/Curriculum Night in our mindful transition back to school. It is certainly not the same as being in the building, but we plan for future school community events where we can be together in person! We will be sending out a document next week that provides the links to join your classroom teachers and specialists online. The outline for the evening is as follows:

5:30-5:55pm - Welcome

6:00-6:30pm - Grades K-1 virtual meetings

6:35-7:05pm - Grades 2-3 virtual meetings

7:05-7:35pm - Grades 4-5 virtual meetings

6:00-7:00pm - Specialists-drop in.

6:00pm-7:15pm -

Enjoy the weekend, Beagles!

Sincerely,

Katherine

2022-2023 Bridlemile Leadership Club Information

Bridlemile Leadership is a club that involves fifth grade students in the participation of creating a positive school climate. Leadership students participate in service-based projects that focus on community and on the development of leadership skills that students will be able to take with them and use in middle school, high school and beyond.

Leadership will take place on Mondays during the 5th grade lunch time at 11:20 am. It will run from Monday, September 26th, 2022 through Monday, May 22nd, 2023. There will be a Leadership Expectations form that students will need to read and check that they have read before starting 5th grade leadership and a brief on-line application survey.

The application for 5th Grade Leadership is due on Thursday, September 22nd. Leadership applications will be sent to all 5th grade families and also be available through a link in the Bridlemile Friday Flyer.

I am excited for the 5th Grade Student Leadership Club to start and am looking forward to doing great things! Please feel free to contact me anytime if you need further information or have any questions.

Sincerely,

Rachel Reich

From the Music Room

We have had an amazing response to the Band and String classes. I am currently assigning instruments and trying to find some more if possible. There is a waiting list for both groups at this time. Thanks so much for your patience as I check out all of the instruments. I will be in touch with participants by email before we begin. We will start the week of Sept. 26th.

Thank you!
