Dear Bridlemile Families,

I was asked to share the [First Days video from our Welcome Back](#) presentation. The soundtrack is from Ms. Barlow's music class with some of our Kindergarten and 1st grade Beagles!

We practiced bus safety this week with all students. It's important that all students are prepared when they ride the bus, either for daily transportation or on a bus for a field trip. Ask your student about this week's practice activity.

International Walk+Roll to School Day is Wednesday, October 12 and this year so is Fall

Bike Fest! So get ready to ride to school and lock up your bike, or bring it after school so you can do some laps around the school with friends!

There will be a slow race with heats for grades K/1, 2/3, and 4/5. Snacks and drinks will be provided.

Students and parents are invited to bring their bikes and scooters for a free after-school event to celebrate Walk and Bike to School Month. There will be riding courses around the school, slow bike races, and snacks will be available.

If you are already a fan of Bike Fest or if this sounds like a blast, which it is, please consider volunteering so we can make it great for our kiddos. You can use this SignUp link <https://signup.com/go/JAmiRWb> to help set up the riding courses, run the raffle, serve snacks, conduct the slow races, and more.

If you have questions or prefer not to use signup please email David Stein steinnet@gmail.com

Thanks for keeping this community event rolling!

Dear Bridlemile Families,

Please consider joining the [Circle of Giving](#), a small monthly donation that makes a huge difference!

The Bridlemile Foundation is dedicated to providing funding to our school to supplement staffing through its [Circle of Giving](#) campaign. We suggest a recurring donation of \$20/month, but a donation at any level, big or small, makes a huge difference. There is an opportunity to donate a one time payment as well. This money helps to bridge the gap between what public funding provides and the comprehensive educational experience our children deserve.

Be sure to ask your employer if they support matching fund donations too. Companies such as Nike, Intel, Columbia Sportswear, Adidas and many others support matching donation programs and offer convenient payroll deductions.

Feel free to reach out with any questions!

Warmly,
Lindsay Sadler
