Recommendation #1:

Question submitted on 10/28/19: It says that all school and office based staff receive ASMR and SIRC training in 2018-19. Did all new staff (central and school based) in 2019-20 also receive training and is this baked into our new hire training, especially for those who arrive at points other than the first of the school year?

Answer (Submitte

Recommendation #3:

Question submitted on 10/28/19: Are School Compliance Officers (SCO) internal or external facing (to the school community) positions? If they are to be visible to the school community, how do student

Recommendation #4:

Question submitted on 10/28/19): Has Origami been populated with old cases so th

Recommendation #8:

Question submitted on 10/28/19: What does Raptor Technologies Screen volunteers for? Sexual offender status and what else? When will this be in all schools and is it in our alternative pro

The revised field trip policy was announced in March on the PPS website. School secretaries are responsible for ensuring field trip chaperones are approved as volunteers (see answer to recommendation #8 above regarding volunteer training and registration) and a link to the revised policy will be added to the volunteer web page to serve as an a
