- B. The annual Black Lives Matter at School Week of Action will take place during the month of February to coincide with, and augment, Black History Month; starting with February 3-7, 2020.
- C. Schools should be places for the practice of racial equity, for the buildings of understanding, and for the active engagement of all in creating pathways to freedom and justice for all people.
- D. Schools have the potential to make positive and tangible social change in the world while empowering students to be stewards of their communities, their classrooms, their campuses and each other.
- E. Portland Public Schools is committed to academic excellence and personal success for all students. Central to this commitment is racial equity and social justice to prepare every student to navigate and compete in culturally rich society.
- F. Our nation’s future well-being relies on a high-quality public education system that confronts systemic bias, institutionalized racism and leads the effort in ensuring that African American/Black students and families thrive on the campuses that serve them.
- G. This social movement has raised awareness about injustices that exist at the intersections of race, class, and gender; including mass incarceration, school-to-prison pipeline, poverty, unaffordable housing, income inequality, and poor access to healthcare.
- H. This district has a considerable opportunity, through its decision-making power, to improve the educational experience for all students; specifically, African American/Black students.
- I. There is a tremendous opportunity to teach all students about social justice, lead for racial equity, integrate culturally responsive practices and curriculum, and support students to become leaders in making their own schools a safer and more inclusive learning environment.
