

**Anti-Racist & Anti-Oppression
Learning Communities**

I. Purpose

Portland Public Schools is committed to an anti-racist and racial equity and social justice approach to public education to ensure a learning environment that is free from hate and the legacy of school segregation and institutional racism for all students and staff. The District unequivocally affirms that Black lives matter. We believe in the fundamental right to human dignity and that generating an equitable world requires an educational system that intentionally disrupts—and builds leaders to disrupt—systems of oppression.

We can begin the process of healing through our policies and curriculum to address cultural and institutional racism. The District must create an inclusive environment that reflects and supports the racial and ethnic diversity of our student population and community.

Every student is entitled
