You will be required to submit the required documentation for all your dependents enrolled in your PPS health insurance plan

The Affordable Care Act (ACA) requires the District to collect social security numbers for all dependents enrolled in the employee's medical plan. The social security numbers are used as identifiers in reporting health insurance coverage to the IRS. Dependents for which social security numbers are not provided may not be enrolled.

To ensure that all enrolled dependents meet the Health & Welfare Trust's eligibility requirements, the H&W Trust works with Secova, an independent firm, to conduct confidential dependent eligibility verification.

If you are covering dependents, you must fully complete the mandatory dependent eligibility verification through Secova

Within 45 days AFTER enrolling in benefits, you will receive your verification packet from Secova to the mailing address on file for you.

You MUST submit directly to Secova all required documents for the dependents you are covering on your PPS health insurance by the deadline provided in your verification packet.

IMPORTANT: If you do NOT fully complete the mandatory dependent verification audit through Secova, <u>your dependents will</u> <u>be dropped from your PPS health insurance</u> on the first of the month following receipt of a final termination letter from Secova.

More information on the Secova dependent eligibility verification can be found on the H&W Trust website at <u>https://sdtrust.com/enroll_dependent_verification.php</u>.

You may then follow the Online Benefits Enrollment Instructions (<u>https://www.pps.net/Page/15959</u>, under Other Benefits Information section) to complete and submit your benefits enrollment.

IRS rules state that benefit selections may only be changed when an employee experiences a qualifying event <u>or</u> during the Annual Open Enrollment period. The employee must complete an online enrollment via PeopleSoft Employee Self-Service (ESS) and upload the appropriate required documentation. The change must be consistent with the event.

Employees who experience a qualifying event must submit the required supporting documentation to the PPS Benefits Department and complete their benefits elections within 31-calendar days^{*} from the date of the qualifying event:
