Dear PFSP Colleagues,

Together, PFSP and PPS have finalized the staffing process and includes each school

available on the [website](#).

The following is the basic steps for current PFSP employees assigned to the school:

Bridger ES - through [this survey](#), all PFSP members will select the school (Creative Science School or Lent DLI ES) to be assigned for the 2023-24 staffing process.

Creative Science School (CSS) - all PFSP members will remain assigned to CSS and physically move to the Bridger site.

Harrison Park K-8 - through [this survey](#), all PFSP members will select the school (Clark ES or Harrison Park K-8) to be assigned for the 2023-24 staffing process.

Lent ES - through [this survey](#), all PFSP members will select the school (Lent DLI ES or Marysville ES) to be assigned for the 2023-24 staffing process.

Marysville ES - all PFSP members will remain assigned to Marysville ES.

SEGC Staffing Process & Survey - PFSP Staff

Once staff have completed the [survey](#) and selected their school to be assigned to for the 2023-2024 staffing process, school administrators will complete the regular staffing process, as outlined in Article 26 using a combined seniority list.

If you have questions about this process, please contact your current school administrator.
