1. Student pick up see below.
 2. Laura Humphrey's exit route has been explained and resolved.
 3. Safety details reviewed in staff bulletin.
-
1. Exterior door by room #107 and room #109 sometimes doesn't latch.
 2. Outside duty teachers need to be at their spots on time, not getting their walkie talkies and emoji backpacks at their duty time.
 3. We are concerned that no one at PPS BESC has contacted us about our safety concerns that were forwarded in the fall.

1. Parents have been better about picking up kids on time after school. Teachers are required to keep students in class until 3:07PM. Teachers who have been bringing students immediately after that deadline have seen improvement. Once students are in the office, parents must sign out students.

Our next meeting is Wed., 4/25 because March is spring break.
